

LIVETOUCH

quattro

The most easy-to-use tenprint scanner.

E-C-THRU TECHNOLOGY

INTELLIGENT USER GUIDANCE

EXCEPTIONALLY COMPACT

ELECTRONIC SIGNATURE

LIVETOUCH QUATTRO is a super compact forensic ID Flat and tenprint scanner. Based on JENETRIC's e-c-thru technology, the scanner combines unmatched user friendliness with highest quality fingerprint images. Its integrated touch screen provides easy to understand instructions that reduce failure-to-enroll rate and shorten the capture process.

With its compact design, ultra-light weight and simplified operation, **LIVETOUCH QUATTRO** integrates easily into livescan stations and enrollment systems in any operating environment.
